

# Vaishnav Solanke

vaishnavsolanke@gmail.com | 7757079518 | Khamgaon, Maharashtra, In-444303

## CAREER OBJECTIVE

- To leverage my civil engineering expertise in a challenging leadership role, applying innovative problem-solving techniques to drive project success. I aim to enhance my management and development skills within a growth-focused organization while striving for technical excellence and impactful contributions.

## EXPERIENCE

### SITE MANAGER | FREELANCE

Nov 2022 – Feb 2024 | Khamgaon | Onsite

- Oversaw and coordinated ongoing site and civil construction projects to ensure timely completion.
- Managed on-site resources, including materials, equipment, and workforce allocation.
- Handled labor supervision, resolved site issues, and maintained safety and quality standards.

## CERTIFICATIONS

2025	Bentley Education	Water resource Management Virtual Internship
2024	Skill Academy	Interview Skills
2023	Dept. of Civil	AutoCAD

## ACADEMIC PROJECTS

### REHABILITATION OF VILLAGE

JAN – 2025

- This project, titled “Rehabilitation of Village: Profile Levelling,” focused on conducting a detailed survey of the undulating terrain near Bhayyuji Maharaj Ashram, Khamgaon. The primary goal was to assess the site’s topography, address infrastructure challenges, and provide a sustainable framework for village rehabilitation.

## ACHIEVEMENTS

- Successfully completed a one-week (30-hour) industry-oriented workshop on AutoCAD, gaining hands-on experience in design and drafting.
- Participated in Bridge Mania, a structural design event conducted during the URJA Carnival at Mauli Group of Institutions.

## HOBBIES

- Social Work
- Environment Sustainability and Conservation

## EDUCATION

### SGB AMRAVATI UNIVERSITY

BE IN CIVIL ENGINEERING

Mauli Group of Inst.- College of Engg. and Technology | 2022-2026  
Cum.GPA: 6.0/10.0

### SGB AMRAVATI UNIVERSITY

12TH IN GENERAL SCIENCE

JV MEHTA Jr. College | June 2022  
Per: 70/100

## SKILLS

Technical Skills:

- Revit Basics
- Autocad Basics
- Computer Programming Basics
- Profile Levelling
- Basic 3D Design
- Designing Basics

Soft Skills:

- Problem Solving
- Time Management
- Adaptability

## COURSEWORK

### UNDERGRADUATE

Highway Construction and Management  
Strength of Materials

Design Reinforcement Prestressed  
Concrete Structure  
Survey  
Geotech Engineering  
Building - Planning CAD  
NMCP

## LEADERSHIP

- Program Coordinator, Civil Engineering Student Association
- Management Head, IGNITE
